

**VISITOR ACCESS AGREEMENT RE:
ARKWOOD, INC. SUPERFUND SITE**

For and in consideration of the permission of McKesson Corporation ("McKesson"), the Site Project Coordinator per the Corrected Consent Decree dated September 10, 1992, to access the approximately 20-acre Arkwood Inc. Superfund Site ("Site"), as shown in more detail on "Exhibit A" attached hereto, on the ____ day of _____, 201__, I hereby:

- acknowledge that the Site has been determined to be contaminated with various contaminants in the past, including pentachlorophenol, polycyclic aromatic hydrocarbons and trace levels of dioxins, and that the Site has been remediated in accordance with USEPA requirements, which permit certain residual soil contamination to remain;
- acknowledge there are engineering controls on the Site designed to protect human health and the environment, including a topsoil and grass cover over part of the Site, and agree I will not disturb that topsoil and grass cover or any other engineering controls or remediation equipment while on the Site;
- assume all risk of any injury or harm caused to me or my property while on the Site due to Site investigative or cleanup efforts;
- release and forever discharge McKesson, Environmental Protection Agency ("EPA"), Arkansas Department of Environmental Quality ("ADEQ"), and any and all of their predecessors in interest, divisions, officers and employees (hereinafter referred to as "Released Parties") from any and all claims, causes of action, or liability, which I may ever have against Released Parties arising out of any injury or harm caused to me or my property while on the Site due to Site investigative or cleanup efforts;
- agree to defend, indemnify and hold harmless all Released Parties against any and all claims, causes of action, or liability arising out of any injury or harm caused to me or my property while on the Site due to Site investigative or cleanup efforts.

IN WITNESS WHEREOF, I hereunto set my hand, and have agreed to the terms of this instrument after having read it, this ____ day of _____, 201__.
